ZaDa Foods — Admin Quick Reference Card

Essential daily workflows, order pipeline transitions, and operational contacts for store managers.

1. Order Status Lifecycle

Status	Meaning	Action Required
PENDING	Awaiting verification	Confirm payment or customer WhatsApp
CONFIRMED	Payment verified	Print packing slip & send to packaging
SHIPPED	Dispatched with courier	Enter AWB tracking number
DELIVERED	Delivered to customer	Reconcile COD remittance
CANCELLED	Cancelled by customer	Stock automatically restored

2. Inventory Stock Thresholds

- **In Stock (>10 units)**: Normal sales active on website.
- **Low Stock (1-10 units)**: Automatic alert on dashboard; schedule repacking.
- **Out of Stock (0 units)**: Storefront disables "Add to Cart" automatically.

To adjust stock: Go to **Inventory** > Click stock quantity > Update value > Click Checkmark.

3. Cash on Delivery (COD) Rules

- **Mandatory Advance:** Token advance (₹60 or 15%) paid online via Razorpay before dispatch.
- **Invoice Notice:** Package label clearly displays remaining doorstep balance.
- **Courier Remittance:** Weekly courier payout must equal doorstep collected balance.

4. Key Operations Contacts

- **Official WhatsApp Support:** +91 75939 59235
- **Customer Care Email:** care@zadafoods.com
- **Super Administrator:** admin.zadafoods.superad@gmail.com
- **Escalations & Refunds:** accounts@zadafoods.com
